## Quality Assurance Statement

Hereby, we,

Goerlich Pharma GmbH  
Am Gewerbering 4/6  
83533 Edling  
Germany,

give the following confirmation regarding the product

**EPAX 4020 TG/N 1000mg capsule FOS, Article No. 50-000211:**

WADA:

According to the information currently available to us from our suppliers, the above-mentioned products do not contain any ingredients that are on the currently valid WADA (World Anti-Doping Agency) list.

Regulation (EU) 37/2010:

According to the information currently available to us from our suppliers, we can give you the following feedback at the moment:

*“As part of our supplier qualification process, we require all suppliers to confirm that materials supplied are legal for use in food supplements. This encompasses compliance with applicable EU and UK regulations, including those concerning pharmacologically active substances and residue limits. While our current onboarding process does not specifically reference Regulation (EU) 37/2010, we are proactively reaching out to our suppliers to obtain explicit confirmation of compliance with this regulation. We will provide any additional details or documentation as soon as this information is available.”*

We hope that we have been able to help you with this information and will be happy to answer any further questions you may have.
